HOW TO DROP A BOMB WITH STYLE

This 5 piece metal band from Belgium and Holland brings an aggressive blend of post-modern heaviness and apocalyptic atmosphere, mixing influences ranging from IN FLAMES and ARCH ENEMY to BRING ME THE HORIZON and ARCHITECTS. SPOIL ENGINE released 3 full albums up to date and is now thrilled to release the 4th full length »Stormsleeper« in cooperation with Arising Empire and Nuclear Blast. SPOIL ENGINE

appeared at major festivals such as Graspop (4x) and Pukkelpop (2x) and supported bands such as MEGADETH, ARCH ENEMY, MOTORHEAD and KILLSWITCH ENGAGE.

The new album »Stormsleeper« is the launch of a re-invented band with new vocalist Iris, pushing the limits in sonic bandwidth and energy, ready to conquer new goals.

Expect a live explosion of tight metal madness, low end vibes, breast shaking solos and a headbanging smile above all!
